Your account has been placed with us for collection because you have failed to respond to previous requests for payment. The amount due now includes a 10% collection fee pursuant to your purchase agreement and prior notices from our customer. Additional amounts may become due should it become necessary to forward your account to an attorney for collection.

This letter is a demand for immediate payment in full. To avoid additional collection activity, we must receive your payment within 10 days. Please make your check or money order payable to your creditor, but mail or deliver to the address above for prompt credit.

We will withhold further collection activity a brief period in anticipation of receiving your prompt cooperation.

Sincerely,

Receivable Management Services
